

Kiwisaver Star Ratings

We endeavour to include the majority of product providers in the market and to compare the product features most relevant to consumers in our ratings. This is not always possible and it may be that not every product in the market is included in the rating nor every feature compared that is relevant to you.

* KiwiSaver funds that have not been available for a minimum of five years are not eligible to receive a CANSTAR star rating, however an indicative star rating is supplied. Based on the information available, CANSTAR provides an indicative rating of funds which have been available for less than five years indicated by the hollow gold stars. CANSTAR provides these indicative ratings for consumers to provide an indication of the funds rating relative to its peers for the period for which it has been available. Note that historical performance may not reflect the future performance of funds.
